Acknowledgement:

I wish to purchase a share, as indicated above, of the Paradox Vineyard CSA 2009. I acknowledge that the wines in a share are determined based on the wines bottled and released in this year, that winemaking is an art and bottling and availability dates are not pre-determined, and that I am not guaranteed any particular wine. I realize that Paradox Vineyard will make reasonable effort to include unique wines for CSA members as part of the share. I accept the fact that this agreement is binding, that I agree to provide financial support to the CSA by purchasing my share in full. Paradox Vineyard will provide the agreed number of wines in a purchased share.
